Canuck Place CHILDREN'S HOSPICE

2016 MBABC Charity Golf Tournament Sponsorship Package

Join us on September 22nd at Tsawwassen Springs Golf Course for this year's Mortgage Brokers for Canuck Place – Charity Golf Tournament

Canuck Place Children's Hospice first opened its doors in November 1995, to become North America's first free-standing children's hospice. They provide respite, family support, pain and symptom management, end-of-life care and bereavement services to newborns, children, youth and their families living with progressive life-threatening conditions.

The illness and death of a child is a life-altering experience for the families who love them. Canuck Place Children's Hospice provides innovative, holistic clinical care with compassion through our hospices, in hospitals and communities in BC and the Yukon.

Let's make a difference "Together" as an industry! Mortgage Brokers for Canuck Place has set a bold target to raise $100,000 this year, with the golf tournament as the main contributor. Help us raise $50,000 on this day for a great cause.

Partnership is a Powerful Investment
