**MORTGAGE BROKERS ASSOCIATION (BC)  
RAISES \$45,000 FOR CHILDREN'S HOSPITAL**

VANCOUVER – The Mortgage Brokers Association of British Columbia has donated \$45,000 to the BC Children's Hospital Foundation.

The funds were raised through the Association's Charity Golf Tournament and a mix of other fundraising initiatives, with the most recent being a silent auction at the Association's trade show and convention this past February.

"We are very proud of our members for their extraordinary efforts in raising these funds," said Mortgage Brokers Association of British Columbia President Hali Strandlund. "BC Children's Hospital does some incredible work with children and we are very pleased to be able to contribute in this way."

In recognition of the donation, BC Children's Hospital Foundation will honour the Mortgage Brokers Association of British Columbia with a Sapphire designation on its newly created Millenium Donor Wall.

The Mortgage Brokers Association of British Columbia will also be recognized during the live broadcast of the Children's Miracle Weekend telecast on Global Television June 2<sup>nd</sup> & 3<sup>rd</sup>.

BC Children's Hospital is one of North America's leading pediatric hospitals, and the largest full-service child health centre in Canada, serving one million children in BC.

The British Columbia Mortgage Broker's Association represents the province's mortgage industry and exists to support and enhance professionalism and ethical standards within the mortgage industry. Founded in 1990, the Association is based in Vancouver and is supported by some 1,700 members (please see [www.mbabc.ca](http://www.mbabc.ca) for more information).
